Walton and Weybridge Urban District Council 1,  
Council Offices,  
Walton-on-Thames.

For the attention of Mr. Butcher,  
Surveyors Office.

Dear Mr. Butcher,

With reference to our recent application for the erection of an advertisement sign, which was deferred by the last meeting of your Plans Committee for further information.

We would state that this advertisement was for a purely temporary period of between March and June, and was entirely to be used in connection with the Coronation.

We have just telephoned Mr. E. J. Allsop, the Chairman of the Plans Committee, who personally sees no objection to the sign. The Manufacturers are forwarding three coloured plans of the sign in time for your next meeting 23rd March.

The sign depicted in the photographs was erected in prewar years without any trouble whatsoever, and caused no annoyance to anyone.

We trust that we may have your answer on the 24th March, in order that the signs may be prepared and erected for this Coronation.

Would you please return our two photographs, loaned to you, as soon as possible.

Yours faithfully,

N.C. ROGERS.

In the Coronation Year  
of Her Gracious Majesty  
Queen Elizabeth II
